**Happy
streets make
Happy
shoppers!**

Attention all business managers who want to help themselves, their town, and their customers, please read on...

Continental Landscapes Ltd is working in partnership with Retford Civic Society and Retford Business Forum to attract regular visitors and shoppers to the town centre by adding seasonal colour to the shopping streets with flags, superb floral displays and Christmas trees between April and December. The scheme has worked extremely well for the last 2 years, and this year, with your support, it will be bigger and more colourful than ever before!

We are grateful to this years' sponsors, TLS Events Ltd and Icon Aerospace Technology, who are subsidising each full package by £52.00 which makes the scheme accessible and affordable, even for smaller businesses.

There is a real sense of civic pride in Retford, so we hope you'll join in and make a positive contribution in this highly visual way, enhancing your own premises, making your customers feel good when they walk through the door, and making Retford look great!

To place your order and for all other enquiries,
call Continental Landscapes on 01522 518920 **before 31st March**
or email Lincoln@Continental-Landscapes.co.uk

Place your order with Continental Landscapes Ltd, (complete package £151 +VAT) pay the invoice in full, then send your claim to Retford Business Forum and £52 per package grant will be paid directly in to your nominated bank account.
